But if such love abide express it now, hat I may each with answering love endow In life I long to feel sweet kiss' breath, But worthless such expressions when

Like flowers dropped upon the ice or snow. A wasted gift that had the power to bless. Oh, if you'd kiss me, do it here and now!
If a kind, slumbering thought of me do:.

The head and at the heartstrings strong! press tutterance, listen to that pleading voice And bid a living, waiting heart rejoice.

—Rev. L. C. Littell, in Chicago Record

The Hidden Life. Deep down beneath the billows' angry swee; Beyond the fury of the raging sea, There is a world of silent mystery. There coral mountains lift their hoary head

And sea shells lie in glowing amber-beds, And all is wrapped in deep eternal sleep. Deep down beneath the world's distress and

Reyond the fury of life's ceaseless storm. To noble souls there is eternal calm. There fancy sits in bright illumined caves And hoards the treasures of the stormy

And quiet truth and beauty ever reign.

A Love Lilt. Though for my bread he giveth me a stone Be love my own. Though unregarded at his feet I moan

Only to look into his eyes-to be Where those dear eyes, howe'er unpityingly. Might downward glance; that were enough

Be love my own. Wealth, fame, forever from my dwelling flown— Be love my own.

By all forgotten, or by all unknown, Be love my own. What matters it how desolate the place-Savage and ione, without a rose's grace? Joy shall be mine to look upon love's face-Be love my own. -Frank L. Stanton, in Chicago Times-Herald

The Gulleless Chinaman. It is the guileless Chinaman, Upon his way he goes, With merry smile and cheek of tan And basketful of clothes.

The mocking jibes and taunting cries He neither heeds nor cares: But still upon his way he hies And minds his own affairs.

He never swears, he never fights. He never loafs nor drinks; He never "stands up for his rights," Or tells you what he thinks. His terms are strictly C. Q. D.,

Don't bother him at all, and he Will never bother you. And oft beneath his hat you'll see His plaited hair close rolled; He goes his way, but yet could he

He asks but what's his due:

A curious tail unfold.

Life and Song. If life were caught by a clarionet And a wild heart throbbing in the reed, Social thrill its joys and trill its fret

And utter its love in love's own deed: Then would this breathing clarionet. Type what I would that I might be, ne of the poets ever yet

Or wholly sung his true, true thought Or uttorly bodied forth his life, Or made what God made when He wrought One perfect self of man and wife;

Or lived and sung, that life and song Might each express the other's ali,

So that the wonder struck the crowd. Who shouted it about the land; His song was only a living aloud-His work was a singing with his hand:

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Bend for list of testimonials.

MISSOURI STATE NEWS.

Was There a Mistake. Gertrude Fox, a pretty 15-year-old girl, died at the city hospital, St. Louis, from opium poisoning. She was taken to that institution by her grandmother, Mrs. Hester Stephens, who resides at 1538 South Thirteenth street. The girl was in an unconscious condition. and, despite the every effort of a phy-

sician she died. For several days the girl had chills and kidney trouble. She complained to her grandmother, and was sent to a city dispensary, where she received medicine. She was instructed to take a tablespoonful every three hours, but, instead, took one every hour. She became stupid, and that night she be-

came very ill. The next morning her condition frightened her grandmother, who had her removed to the hospital, The doctor who gave her the medicine stated that even though she did take a tablespoonful of the medicine every hour it would not affect her so, because it was as he finished: mostly quinine.

LINCOLN, Neb., Nov. 6 .- The first information that Senator Jones had conceded the election of McKinley was given to Mr. Bryan at eight o'clock last evening, through the medium of To Hon. M. A. Harna, Walderf Hotel, New 1 Tork: Mr. and Mrs. Bryan were out walk. ing when the bulletin was received. They had been indoors all day and after supper decided to take a little needed exercise. Just as the clock in the library of the democratic candidate's cozy little home was striking the hour, husband and wife returned. Mr. Talbot, Mr. Bryan's law partner, who has just been elected to the Nebraska legislature on the republican ticket, and several newspaper men were in the library at the time. Mr. Bryan read the bulletin without showing any signs of feeling and remarked

"I'll wait to hear from Senator Jones before saying anything." Then he put on a velvet house jacket and began chatting pleasantly with some personal friends who were with him in the parlor. There was nothing of the by some of his enthusiastic followers, wife, too, knew that nothing encourwhen she realized that the strain was equal opportunities the insidious doctrine of hate, or of class or sectional distinctions canwhen she realized that the strain was those about her, while Mr. Bryan chaffed the newspaper men during the wait for the official message from Mr. Jones. Half an hour later a telegraph messenger handed a dispatch to the de-

feated candidate. "You may say," said he, turning to the newspaper men, after reading the telegram, "that the election of Mc-Kinley is conceded and I will issue a

Then he sat down at the big oak desk at which he works and began season. He said it was as fine fruit as | writing a message of congratulation to his victorious opponent, Mrs. Bryan leaning over his shoulder as his pencil went over the paper. This was the message:

The chances are that | issued to the bimetallists of the country and would make it public before noon to-day, and not last evening, as he had previously said. Mr. Bryan said he did not care to say anything about the result of the election last night, but in response to a question as to whether he thought McKinley's election was a blow to the cause of bimetallism, he responded: "The fight has just commenced."

HANNA TALKS FREELY.

The Change in the Middle Western States -End of the Silver Question. NEW YORK, Nov. 6.-Mr. Hanna came downstairs in about an hour and

talked freely to the reporters. "What, in your opinion, changed the farmer's vote to McKinley in the middle western states?"

Mr. Hanna paused a moment and then said: "Well, the farmers of the middle west were away off in the beginning on the money question, and on the results that would follow Mc-Kinley's election. They believed at first that if McKinley was elected silver would be wiped out of circulation. The farmers confounded the gold lots were rejected in St. Louis owing standard with monometallism, but they learned the truth as the result of the

campaign shows." "Do you think the tariff question figured much in the result?"

"Yes, sir; decidedly so; it figured very, very much," and Mr. Hanna was then questioned about what would tariff question.

"I would prefer to let Maj. McKinley speak for himself on that question," he replied. Mr. Hanna then called attention to what McKinley said at the dinner of the Marquette club in Chicago on February 12 last, Lincoln's birthday. Maj. McKinley the said: "I am not an advocate for semedules, but for the principles of

protection. When asked what he thought of the advance in securities since election day, Mr. Hanna said: "It was to be expected, and I predict that every business interest which depends on confidence in our government, and that means all but speculative inter-The people are satisfied now that there will be no wild financial legislation and this confidence will bring prosperity. We have the president, the senate and the house of representa-

tives, so there is no room for any kind of doubt." "Do you feel that the silver question

is dead?" "Well, I feel that it is the beginning of the end. I don't hesitate to say that the result of this election will bring about a serious consideration of this question, and that the opinion of the country will be reflected in the senate siding with her daughter at Twelfth

The importance to the country of the result cannot be overestimated, and is a matter of congratulation to all loyal and patriotic citizens of the United States. Incendiary utterances and pretended claims which question the accuracy of this statement should not disturb the public mind.

The Subtreasury Refuses to Receive Gold in Exchange for Greenbacks.

M'KINLEY TO HANNA

The Successful Candidate Extends Thanky and Congratulations to the Manager of His Campaign, and Compliments the People for Their Emphatic Declaration Against Repudiation and Dishenor and Their Devotion to Law and Order. CANTON, O., Nov. 6 .- Mr. McKinley

last night sent the following telegram

to Mr. Hanna at New York:

CANTON, O., Nov. 5. Your telegraphic message announce result of the election has been received. I beg services in the cause of sound money and pro-tection throughout the campaign now closed and gloriously won. They were most gener-ous and effective and will receive the warm approbation of your countrymen everywhere. I will be pleased to have you convey to your associates of the national committee my high appreciation of their efficient services. The people, in their majesty, ignor-ing party lines, have declared their detestation of repudiation and dishonor, in whatever

specious guise they may be presented. They have, with the same mighty power, affirmed their devotion to law and order and their undeviating respect for justice and the courts. They have maintained their unfaltering determination to support and uphold the constituted authorities of the counto our free institutions. They have, indeed, again consecrated themselves to country and paptized the cherished ordinances of free govment with a new and holy patriotism. The victory is not to party or section, but of and of the triumph of the election is the obare a reunited people in purpose as in name. We have manifested in the great cause the spirit of fraternity and brotherhood that should always characterize our common and equal citizenship, and have proven conclusively pot prevail. Let us Americans straightway Aevote ourselves to the upbuilding of America: to the peace, honor and glory of our country. Party dissensions should no longer divide or rack the public mind, nor the zeal or temper

levotion to the good of all. WILLIAM MCKINLEY. A MAJORITY OVER ALL.

This will insure McKinley's election by a majority of 83 in the electoral college, if every other electoral vote goes against him.

"Another most significant fact of this victory is that McKinley and Hobart's election has been assured by a plurality of over a million of the popular vote, the largest ever given.

"I am confident that we shall secure the other two electors in Wyoming and the 13 in Kentucky. North Caroina's 11 votes are in doubt.

SENATOR-ELECT FORAKER

Expects the Inauguration of an Era Prosperity to the Country. CINCIENATI, Nov. 5 .- Sepator-elect

Foraker, being asked for his views upon the result of the election, said: "In my judgment the country has escaped a great disaster. Had Bryan been elected there would have been such a destruc-tion of confidence in the business world as would have paralyzed every in-dustry, tarnished our good name and placed us at a disadvantage in all our commercial relations with the world. The election of McKinley happily averts all of this. Confide already restored. I expect the greatest era of prosperity the country has ever known."

GEN. FITZHUGH LEE,

York.

NEW YORK, Nov. 6.-Gen. Fitzhugh Lee, accompanied by Thomas Jones, his private secretary, arrived from Ha-vana Wednesday night on the Ward five inches.

line steamer Vigilancia. The steamer remained in quarentine until morning when she was released by Health Officer Doty. Gen. Lee was interviewed at quarantine and said his spite of the reports to the contrary. It saids.

SUFFERING SISTERS.

"Two years ago," said Mrs. Harry Rhodes, whose home is at No. 1 Blackhawi Street, Aurora, Kane County, Illinois. "My life was one of misery because of rheums affections which the most skilled physicians of this city were powerless to cure. My afflictions were of a sciatic nature which

afflictions were of a sciatic nature which affected not only my hips but both legs and feet to such a degree that I did not dare to step upon the ground for fear of bringing on the most excruciating pains.

"The several physicians to whom I applied were powerless to aid me, and I was in a very despondent condition and almost without hope. When one day I noticed a testimonial in one of our daily papers from a woman who had been cured of rheumatism by Dr. Williams' Pink Pills for Pale People. Sanders & Sherer's drug store is just across the street from my husband's place of business, and I asked him to call there and purchase a box of pills, which he did.

"That first box of pills worked wonders for me. I might almost say that the first half dozen produced a very noticeable effect, for that night I obtained sleep without the aid of opiates, and with the second day the pains grew less and less until they departed altogether, never to return. I considered the take the nills in the receptions.

parted altogether, never to return. I con-tinued to take the pills, in the prescribed doses, for several weeks when I found my-

"My sister, Mrs. Bert Scott, whose home was at Dulu'h, Minnesota, was troubled with rheumatic difficulties similar to mine. Her trouble was the principal reason for the removal of the family to Chicago, where the removal of the family to Chicago, where Mr. Scott is in the plumbing business, and their home is now at 15 Teale Court. They expected the atmosphere of Illinois to assist in a cure which the physicians could not bring about in the climate of Superior, but my sister became no better, with the very best of medical strendance, until I recommended Dr. Williams' Pink Pills to her. As in my case they worked a speedy her. As in my case they worked a speedy cure, and Mrs. Scott is now entirely free from all rheumatic disorders, and she is as conscientious as I am in her praises of the remedy which has done so much to make the lives of two families far happier than they

were two years ago."
Dr. Williams' Pink Pills contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such discood as locomotor ataxia, partial paralysis, St. Vitus'
dance, sciatica, neuralgia, rheumatism,
nervous headache, the after effect of la
grippe, palpitation of the heart, pale and

SCIENCE AND SCIENTISTS. No insulator of magnetism is known.

Baron Larey, who is now ninety years old, is the oldest member of the French Academy of Medicine. Hydrogen boils at 438.3 degrees

Fahrenheit below the freezing point of water, according to Prof. Olszewki's Centrifugal force is used to refine Steel ingots at the Nykroppa works in POLIK—New Mess 83 @ POLIK—New Mess 80 @ POLIK—New Me experiments.

Sweden; the pressure drives out all gases, leaving perfectly sound ingots. Russia is going to send astronomical expeditions to the mouth of the Amoor river and to Nova Zembla to observe the total eclipse of the sun that will take

place on July 27 of next year.

There are many reasons in favor of the supposition that Mars is more likely to have been inhabited in past ages than at the present time, in spite of its atmosphere or water or clouds. The French institute's biennial prize

of 20,000 francs, which is awarded this year by the Academy of Sciences, has been awarded to Prof. Raoult of Grenoble for his chemical researches. Dr. Andree has selected his com-

panions for the balloon expedition to the north pole. One is the meteorologist Ekholm of Stockholm, the other is Niles Strindberg, an amanuensis in the Stockholm university. Careful observations of heat were

taken in a 1,650-foot boring recently made near Mulhausen in Alasce. At the lowest depth the temperature was 106 degrees Fahrenheit, at 770 feet it was 641/2 degrees; from that point down the increase was regular, amounting to 1 degree Fahrenheit for every 22 feet

ODD AND SERIOUS.

A woman's heart was really broken, burst into halves, in England recently, not from love or sorrow, but from eating too hearty a supper.

Forty-seven thousand tons of tea, valued at over \$17,000,000, have been received at Tacoma, Wash., from China and Japan this season. John Horner, while working on a

farm at Bellefonte, Pa., was stung on the lip by a yellow-jacket. His lip at once began to swell, causing great pain, and eight hours later he died. A couple in Carrollton, Mo., with their

baby, were on their way to the circus, and stopped at a physician's office to learn why the child was so quiet. He declared it was dead. They then asked permission to leave the dead child at his house while they went to the show, and he obligingly consented.

A cinder entered the ear of a negro in Athens, Ga., and caused much pain. A physician removed it and demanded a dollar. The man refused to pay it. The doctor put him in the chair again, replaced the cinder in his ear, and in a few moments the negro was glad to pay the dollar to have it removed.

A funny young man at Delhi, N. Y., arrayed himself in ghostly garb, and, striding solemnly on stilts, stopped four female bicyclists in a lonely road. Three of them ran away, but the fourth, Miss Grace Holden, of Jersey City, struck the ghost violently in the side with a cobblestone, and he had to be carried home for repairs.
